May None Experience Distress !  
May Peace Prevail Everywhere !*

## **TEN PRINCIPLES OF ARYA SAMAJ**

- God is the ultimate source of all true knowledge and of the objects that are known by its means.
- God is existence, intelligence and the Sat-Chit-Anand. He is formless, almighty, just, merciful, unborn, infinite, unchangeable, beginningless, incomparable, the support and Lord of all, all pervading, omniscient, imperishable, immortal, exempt from fear, eternal, holy and the Maker of the Universe. To Him alone worship is due.
- The Vedas are books of true knowledge. It is the paramount duty of all Aryans to read them and to teach them, to hear them, to read and to read them to others.
- We would always be ready to accept truth and renounce untruth.
- All actions should be done in conformity with Dharma after due consideration of right and wrong.
- The primary aim of the Arya Samaj is to do good to all mankind i.e. to promote their physical, spiritual and social welfare.
- We should treat all people with affection and justice and with due regard to their merits.
- We should aim at dispelling ignorance and promoting knowledge.
- No one should remain satisfied with his own welfare. He should regard his welfare as a part and parcel of the welfare of all.
- In matters which affect the well-being of all, a person should give a subordinate place to his likings. In matters which affect him alone, he is to enjoy freedom of action.

# VISION AND MISSION OF THE MANAGEMENT

- To be a model of excellence in healthcare, medical education and research.
- To provide medical care with compassion and competence.
- To deliver highest standards of education in medical and allied fields.
- To continuously strive for quality improvement.

## MESSAGE FROM THE MANAGING SOCIETY

Dayanand Medical College & Hospital is an NABH accredited, non-aided and not-for-profit charitable institute. It is registered under the Societies Registration Act, 1860 and is managed by Dayanand Medical College & Hospital Managing Society Ludhiana. DMC&H is one of the largest hospitals in India. Our Medical College being ranked amongst the top Medical Colleges in the country by various surveys over the past many years. In effect, we are the most coveted Medical College in Punjab.

DMC&H was conceived in a rented building as Ludhiana Medical School in 1934 by late Dr. Banarsi Dass Soni, Ex Cap. I.M.S. with the noble idea of providing medical care to the community. While the name was later changed to Arya Medical School, and thereafter to the present DMC&H, the spirit of serving the society continues till today. From a rented building in 1934 to our current 72 acre facilities, it has been a dream journey. Be it our sprawling College campus, or fully equipped 1625 bedded Hospital, or College of Nursing, besides our satellite units in rural and urban areas, we are the preferred destination for students as well as patients from far flung areas. We are now a full-fledged Medical College and tertiary care Teaching Hospital, with the vision to be a model of excellence in healthcare, medical education and research. Our 1625 patient beds are supported by a staff of 5200 employees including 600 doctors, treating more than 3500 outdoor & 1000 indoor patients daily employing state of the art equipment in the diagnostic services. We are dedicated to provide medical care with compassion & competence and to deliver highest standards of education in medical and allied fields. Hospital information system (HIS) connects all the hospital campuses and health centers across the city.

Dayanand Medical College is running MBBS, Postgraduate (Broad/Super Speciality), fellowship programs, M.Phil. (Clinical Psychology), Ph.D. (Public Health – Neurosciences), B.Sc. and M.Sc. (Nursing), NPCC and various Paramedical Degree & Diploma courses. Admissions in all courses at this college are done on the merit-base, through Baba Farid University of Health Science / Medical Counseling Committee. We are in the process of starting M.Ch. (Surgical Oncology) course from the academic year 2024-25.

We have well equipped specialized units like Hero DMC Heart Institute dedicated to patients with cardiac diseases and DMC&H Cancer Care Centre for patients with cancer diseases; Department of Critical Care Medicine for special treatment to the critically ill patients; Genetic Laboratory; IVF Centre; and Renal Transplant Unit. The Research & Development Centre actively supports our research activities by providing one stop solution for the research and dissertation requirements of students.

The institute provides subsidized treatment to patients with Cancer, Thalassemia, Cardiac & knee replacement surgery and to those who need financial support. About 80% of the patients coming to our hospital are from rural areas or economically weaker sections of society. Our Rural and community outreach programs serve the people in rural and slum areas by providing specialist care at highly subsidized treatment rates (including investigations). Good quality medicines are provided at the lowest cost to the patients through a chain of Pharmacy outlets at the hospital and health centers.

Wishing all students a memorable stay at this institution and best of times ahead. For us, as we complete 100 glorious years in 2034, the journey has just begun !!

# FROM THE DESK OF THE PRINCIPAL

Dear Applicant,

Dayanand Medical College & Hospital is keen to welcome the new batch of students for various paramedical courses. In this institution we lay great emphasis on holistic development of students. We want you to have sound knowledge of the subject, exposure to all the latest equipments and technologies and the right attitude to serve the patients. We instill discipline, teamwork, good communication skills and high ethical and moral values among our students. We are today ranked among the top 10 private medical colleges in the country due to the commitment of the management to provide the best education with all the modern techniques. The exposure that the students will get in the clinical teaching rounds is going to be the best since DMC&H is one of the busiest tertiary care hospitals in north India. In the last year we served more than 10 lakh patients in the OPD, 95,000 patients are admitted in the hospital and more than 25,000 surgeries were performed.

This not-for-profit institution provides high end medical services to the patients with the best equipment and highly skilled doctors, nurses and paramedical staff. Our vision is to be a model of excellence in health care, medical education and research. We work with the mission to provide medical care with compassion and competence. We adopt the latest methods of medical education and continuously try to improve the quality of our services.

The 1625 bedded tertiary care hospital has 23 specialities and 13 super speciality services. The team of 201 faculty members, 305 junior and senior residents and >4500 employees work in a team to provide the best-in-class medical care to the patients. All high-end equipments including digital Cath labs (3 in number), 2.5 Tesla MRI, PET Scan, 256 slice CT scan, next generation sequencing genetic lab, high end auto analyzers, fibro scan, video EEG, endoscopic ultrasound (EUS), sleep lab etc are available. The institution has facilities and does one of the largest numbers of high-end procedures like extra corporal membrane oxygenation (ECMO), continuous renal replacement therapy (CRRT), total arterial beating heart bypass surgery, physiological pacemaker, thoracic endovascular aortic repair (TEVAR), Whipple surgery, epilepsy surgery, endo vascular neurological and neurosurgery procedures etc. The students have exposure to all these latest procedures and surgeries in the clinical postings during graduation.

The basic subjects are taught by the same faculty which teaches the MBBS and the nursing students. This helps our students of paramedical courses to have better understanding of the subject. Most of our students from the previous batches get absorbed in high end hospitals during internship. Many of them get absorbed in our own institution which is expanding very fast. There is handholding in the initial part of the training so that all the students feels comfortable while improving their skills. The wide variety of courses that are offered gives you freedom to choose a branch of your choice, in which you feel you can flourish and blossom to be a skilled person who can serve the patients efficiently. The admissions to this institution are purely on merit basis. The prospectus provides you with all the desirable information.

Dr. Gurpreet S. Wander  
MBBS (Hons); MD (PGI); DM (Cardio), FAMS  
Principal

# ABOUT DAYANAND MEDICAL COLLEGE AND HOSPITAL

*DMC&H extends a warm welcome to the students entering the new academic year. We hope that the unique learning experience and ambience at DMC&H will unlock potentials and help you achieve your dreams. We wish you the very best.*

## **Introduction:**

- A devoted personality, Dr. Banarsi Dass Soni, Ex. Capt. I.M.S., with a missionary zeal for medical education and patient care, conceived the noble idea of providing the much-needed medical care to the general public.
- This bloomed in the form of Arya Medical School in 1934. It was started in a rented building in Civil Lines, Ludhiana and admission was limited to only 20 students.
- The Medical School was recognized for Licentiate of State Medical Faculty (LSMF) in 1938 and also for the running hospital attached to it. The following year, the Managing Body decided that the Ludhiana Medical School should, in future, be called "Arya Medical School" and the hospital attached to it "Dayanand Hospital".
- In 1964, consistent with the policy of the Government, Arya Medical School flowered into a full-fledged MBBS College, which came to be known as 'Dayanand Medical College.' The management of this college was taken over by a galaxy of prominent people of Ludhiana, who formed an organization known as the "Managing Society of Dayanand Medical College & Hospital, Ludhiana", and Late Shri H.R. Dhanda, a prominent industrialist of the town, became its Founder-President.
- The college has come a long way, retaining its unique character, still marching ahead with the times and is upgrading itself dynamically in all fields of activities, DMC&H has been ranked among the top Medical Colleges of the country in surveys conducted by various agencies/ magazines in North India.
- In the year 2006, DMC&H reached a new dimension with the introduction of super speciality courses. Today, besides running MBBS and MD/MS courses in 19 specialities, the institution offers 9 DM/MCh, 23 BSc/ Diploma Paramedical courses, M.Phil Clinical Psychology and PhD in Public Health Neurosciences. Critical Care Medicine was the first Superspeciality Course in the state to be started at DMCH. We are planing to start Mch Surgical Oncology course from the academic year 2024-25.
- Since 2016, the MBBS Seats have been increased from 70 to 100 per year.
- Hero DMC Heart Institute (HDHI), a unit of DMC&H is a renowned centre for tertiary level cardiac care providing all types of diagnostic, interventional and surgical procedures. The centre performed largest number of procedures for congenital heart disease under NHRM.
- DMC&H Cancer Care Centre is a 100 bedded state-of-art facility for oncology patients and has become operational since April 2017.
- Since its inception, the institution has produced about 3300 graduates and 2200 post graduates (including super specialists). The students and faculty have constantly strived for academic excellence, state-of-the-art health care provision, and high quality research competing with the best in the country. All the departments of the hospital are equipped with modern facilities to provide tertiary level health care services to the people of region.

**A continuous emphasis on modern teaching methods, global links for research, student exchange and knowledge sharing, world class infrastructure, placement, diversity of students and institute interactions have consistently placed DMC&H students well ahead in every field.**

## Infrastructure Highlights with Research, Development and Innovation:

- DMC&H is an NABH accredited Medical College in the country and first in North India.
- The college is recognized for the MBBS Course by the National Medical Commission (NMC) and is affiliated to the Baba Farid University of Health Sciences (BFUHS), Faridkot.
- With modern air-conditioned, lecture theaters, auditorium, seminar rooms, and labs with LCD Projectors and A-V System, DMC&H has smart classrooms' which very few medical institutions across the country have for UG & PG teaching.
- The college is also affiliated to the Baba Farid University of Health Sciences, Faridkot for post graduate broad & super specialty) courses in all the branches.
- The institution also imparts training for D.M. Courses in Cardiology, Gastroenterology, Neurology, Nephrology, Critical Care Medicine ; M.Ch. Courses in Plastic Surgery, CTVS, Neuro Surgery and Urology.
- DMC&H is the institution having a state- of- the- art Intensive Care Units (ICUs). A separate block has been set up having Medical ICU, Pulmonary ICU, Stroke ICU, Pediatric ICU, Surgery Obstetrics & Gynecology ICU, Trauma ICU and Neurosurgery ICU. Other important ICUs are Intensive Cardiac Care Unit (ICCU), Burns ICU, Neonatal ICU; BMT Unit in DMC&H Cancer Care Center, and Cath ICU & ICCU in HDHI.
- The emergency services at DMC&H are exceptional with facilities for triaging, isolation rooms, special Intensive Care Units and emergency operation theaters with recovery.
- HDHI with 189 beds, became operative in April, 2001 and has the state of the art investigative and treatment facilities. The Institute has already performed more than 91,206 catheter laboratory procedures and 18,556 O.T. procedures.
- Safe blood and blood products are available at DMC&H as all these products are screened by Nucleic acid Testing (NAT) for HIV and Hepatitis since 2012. It is the First and only institution in the state of Punjab to do this test for all blood donations.
- DMC&H Cancer Care Centre, a 100 bedded state- of- the- art facility with the specialties of Surgical Oncology, Medical Oncology and Radiation Oncology has become operational since April, 2017. It is equipped with True-beam Radiotherapy facility, PET-CT Scan, Modular OTs, Bone Marrow transplant (BMT) and Day care Centre for chemo therapy (delivering all kinds of chemotherapy, immunotherapy, targeted treatment) apart from regular wards & private rooms.
- DMC&H College of Nursing is one of the most modern and well-equipped Nursing Colleges of Punjab, with excellent on-job training on a sprawling campus at Malakpur. It imparts training for B.Sc. (Nursing), M.Sc., (Nursing) and NPCC.
- We are first in North India to start M.Phil (Clinical Psychology) and PhD (Public Health Neurosciences)
- The institution has well-developed urban and rural health care delivery systems, with residential facilities for training of students and interns under the department of Community Medicine. Model for learning and patient care for health care delivery and Community Oriented Learning have been developed in these areas, in addition to research on community health problems. These have been widely acknowledged.
- Wi-Fi enabled hospital to provide wireless access to doctors & students.
- Bus Transport facility to connect college and hospital various campus.
- Besides this the institution offers community based activities, health education activities, Ambulance services and free services to poor patients.
- Research and development wing has been started in the hospital to enhance the research activities among students and faculty.
- Genetic lab has been setup at DMC&H to evaluate the patient for better outcome in various diseases.
- The citizens of Ludhiana and other places have always been kind in extending their helping hand in building up this institution. Above all, the Central and State Governments and many dignitaries. deserve gratitude for their co-operation and interest in the development of the College and the Hospital. This institution has come up by the sheer dint of hard work and sincere efforts of the management, faculty and staff. The faith and patronage of the patients from Punjab and adjoining states has contributed in making DMC&H as one of the premier medical institutions.

***Today, DMC&H is one of the most preferred, highly recognized and top ranked MEDICAL COLLEGE in India.***

***Campus life-Stay In Style:***

- **Hostel** : The college possesses good and comfortable accommodation for girl students with all the facilities including round-the-clock security, entertainment, boarding and mess.
- **IT enabled Campus** : All departments are provided with computers and connected across all campus thorough HIS.
- **Library and reading rooms** : The library has about 20000 text and reference books and subscribes to many electronic and print national and international journals. Internet facilities are available in the college and central library. Pleasant study halls for students with facilities to use Laptop & Internet.
- **Common Rooms** : Separately for boys & girls .
- **Sports** : Facilities for football, cricket, lawn tennis, volleyball, basketball, table tennis, badminton, carom and chess are available. The college also has an active cricket and football team. The hostels have well equipped gymnasiums.
- **Bank** : HDFC Bank operates on campus. There is ATM facility by the bank on Hosipital campus and ATM van comes to college campus regularly
- **Secure Campus** : Round-the-clock security & CCTV coverage of whole campus.

***Life Beyond Studies - Festivals on campus enrich the social, cultural and educational experience of students. The pressures of a highly demanding curriculum can get to even the best of students. This is the time for you to mix with other students in the same boat. It provides an exciting and stimulating environment filled with fun and relaxation.***

***Co-curricular/Cultural & Sports Activities:***

- **NUMCON** : National Under Graduate Medical Students Conference is organised annually to give a platform to learn new skills and update knowledge. It is an opportunity to meet old friends and make new friends.
- **ECTOPIA**: Annual interbatch cultural competition ECTOPIA started in the year 2002. It gives relaxation to students and provides a platform to enhance their extracurricular skills in music, dance & dramatics.
- **SMASH**: Annual Athletic meet and sports competition is organised by DMC&H Sports committee among students of all batches.
- **Magazine**: DMC&H Capsule & DMC&H Scan are regularly circulated among residents, faculty and medical fraternity highlighting all teaching- learning activities and encouraging students.
- **Annual Alumni meet** is regularly organised where the past students meet and relish their glorious past at DMC&H twice a year.

# SPECIAL PATIENT CARE FACILITIES AND SERVICES

## **Anaesthesiology**

Digital Anaesthesia Work Stations. Ultrasound guided Regional Anaesthesia techniques, Patient controlled analgesia. Acute and Chronic Pain Management Services, Round the Clock Resuscitation Services, Critical Care.

## **Bone Marrow Transplant Unit**

Allogenic Bone Marrow Transplant services are available.

## **Cardiology**

2D, 3D & transesophageal Echocardiography, Treadmill test, Carotid doppler, Holter monitoring, Radio nuclear lab-single photon emission computerized tomography (SPECT), Coronary, Cerebral & Peripheral angiography & Angioplasty, Fractional flow reserve (FFR) Intravascular ultrasound (IVUS), Rotablation, Impella Supported High Risk PTCA, Thoracic endovascular aortic repair (TEVAR). Transcatheter aortic valve implantation (TAVI), Single chamber, dual chamber, bi-ventricular and Physiological Pacing, HIS bundle pacing. Automatic implantable cardioverter defibrillator (AICD), Cardiac resynchronization therapy with defibrillator (CRT-D), Electrophysiology study and radio frequency ablation for supra ventricular and ventricular tachycardia.

## **Cardio Thoracic Vascular Surgery (CTVS)**

Cardio Thoracic & Vascular surgery (CTVS) Total arterial coronary artery bypass surgery (CABG) Off pump CABG, Valvular heart disease surgeries repair and replacement, Surgery for congenital heart diseases ASD, VSD, PDA, TOF etc. Post Mi Ventricular Septal Rupture Repair, Thoraco abdominal aneurysm repair, Bentall's procedure, Lobectomy, Femoro-Femoral & Aorto iliac bypass grafting. Extracorporeal membrane oxygenation (ECMO) venovenous and Venoarterial ECMO for aluminium phosphide poisoning and acute cardiac conditions.

**Critical Care Medicine:** well equipped ICU for specialized care for critically sick patients, Ultrasound guided procedures and interventions.

## **Dental**

Specialized Bridge Work, Implantation, Orthodontics

## **Dermatology**

Radiofrequency Ablation, Allergy Testing, Cryotherapy, Full Body PUVA Unit, Blend technique for hair removal, Punch Grafting. Latest Chemical Peels, Skin biopsy. Pulse therapy for vesiculobullous & collagen disorders.

## **Ear, Nose, Throat**

Microsurgery of Ear, Endoscopic Surgery of Nose and Sinus, Microsurgery of Larynx, Head & Neck Surgery, Speech therapy and Hearing Rehabilitation Services, Vestibular Services and Vertigo Assessment.

## **Endocrinology**

Intensive Control of Diabetes and Hormonal Disorders

## **Gastroenterology**

Endoscopy, Colonoscopy. ERCP, Double Ballon Enteroscopy, Capsule Endoscopy, High Resolution Manometry with impedance, Argon Plasma Coagulation (APC) Esophageal pH Metary, Fibroscan, Malabsorption Tests.

## **General Medicine**

Medical ICU, Rheumatology Service, Emergency Medicine Services, HIV Clinic, High Dependency Unit (HDU).

## **General Surgery**

Laparoscopic Surgery, Surgical ICU, World Class Modular OT's and Recovery.

## **GI Surgery**

Specialised Surgery of Hepato-Biliary, Pancreatic, Digestive Tract .

### **Immunohaematology & Blood Transfusion**

Special patient care facilities and services Immunohaematology, Serology, Enhanced Chemiluminescence Immunoassay (Vitros Eci), Nucleic Acid Testing (Roche), Platelet Apheresis, Therapeutic Plasma Exchange, Stem Cell Transplant, Cryopreservation.

### **Liver Transplant Unit**

Multi visceral Organ Transplant

### **Nephrology**

Haemodialysis/CAPD, Continuous Venovenous Dialysis (CVVH & CVVHD)

### **Neurology**

Stroke ICU, NCV/EMC, Digital EEG, EEG Telemetry, Tilt Test, Neuropsychology, Neuro- Rehabilitation.

### **Neurosurgery**

Transphenoid Excision of Pituitary Tumor, Spinal Instrumentation, Micro Discetotomy, Artificial Cervical Disc. Replacement.

### **Obstetrics & Gynecology**

Laparoscopic & Hysteroscopy Gynae Surgery, All types of Hysterectomy and other Gynae surgeries, Infertility treatment, HPV / Pap Smear / Colposcopy with LEEP of Cancer Cervix, Institutional free Family Welfare services, High Risk pregnancies, IVF and assisted reproduction

### **Oncology**

Day Care Services

### **Orthopaedics**

Spine Surgery for fixation with Rods and Plates, Arthroplasty for Hip, Knee, Shoulder & Elbow Replacement Comprehensive Diabetic Foot Management Congenital Deformity Correction.

### **Ophthalmology**

Advanced Vitreoretinal Surgeries, Phaco, Glaucoma & Squint Surgeries, Medical Retina & Lasers, Photo Dynamic Therapy, Computerised Perimetry, Corneal Grafting, Digital FFA.

### **Pathology/Microbiology/Biochemistry**

Automated Culture and susceptibility testing, Immunology, Advanced Mycology (1-3) Beta D Glucan & Galactomannan; Molecular Testing-CBNAAT & LPA (Detection of MTB/RIF), HBV, HCV, HIV PCR, COVID-19, Flu panel, Film Array Multiplex PCR; Microscopy, Skin tests, NTEP and ICTC.

### **Advanced Nursery Care with ultra modern facilities**

Well equipped Pediatric ICU, Pediatric Hemato Oncology Section, Pediatric Bronchoscopy

**Speciality Clinics:** Child Welfare Clinic, Gastroenterology Clinic, Asthma Clinic, Survivorship Clinic, Epilepsy and Cerebral Palsy Clinic, Clinic for adolescents & behavior disorders in children, Bed Wetting clinic, Nephrology Clinic

### **Pediatrics**

### **Advanced Nursery Care with ultra modern facilities**

Well equipped Pediatric ICU, Pediatric Hemato Oncology Section, Pediatric Bronchoscopy Speciality Clinics: Child Welfare Clinic, Gastroenterology Clinic Asthma Clinic Survivorship Clinic, Epilepsy and Cerebral Palsy Clinic, Clinic for adolescents & behaviour disorders in children, Bed Wetting clinic, Nephrology Clinic

### **Pediatric Surgery**

Specialised Surgery of Neonates and children.

### **Plastic Surgery**

Cosmetic, Hand & Reconstructive Surgery, Peripheral Vascular Injury, Facio Maxillary Trauma, Laser Therapy and Burns ICU.

**Psychiatry** Deaddiction centre, Counselling for Childhood disorder, Family and Marital discord  
Psychosexual disorders.

**Pulmonary Medicine**

Pulmonary Critical Care Unit, Pulmonary Lab (PFT), Bronchoscopy Sleep Lab, NIV Unit, DOTS-Tuberculosis Centre.

**Radiodiagnosis**

3.0 Tesla MRI scan, somaton force 384 Slice CT scan & 64 slice CT scan, (emergency) 2-D, 3-D & 4-D Ultrasound, Colour Doppler, DEXA Bone Densitometry, Digital X-Ray & Mammography, Interventional Radiology Procedures, SPECT.

**Surgical Oncology**

Specialised Cancer Surgery.

**Trauma**

State of art services for multiple injuries.

**Urology**

Endourology, PCNL, Oncourology, ESWL, Renal Transplant

# **IMPORTANT**

## **PLEASE READ IN DETAIL**

1. Candidates are advised to read the prospectus carefully before filling and submitting ADMISSION APPLICATION FORM for admission.
2. This prospectus is subject to alternation (s) or modification (s) at any time without notice. For updates please refer to DMC&H website from time to time.
3. The Schedule of Counselling / Admission (including changes if any) shall be notified through our website [www.dmch.edu](http://www.dmch.edu) only. No separate intimation letter will be sent. Please visit our website for all regular and updated information regarding counselling / admission from time to time.
4. Candidates must retain this prospectus with them till admission and read it carefully and comply with all the instructions herein strictly.
5. Personal appearance of candidates is essential at the time of counselling/interview. He/She will produce all documents/ testimonials in original for verification by the selection committee.
6. Reservation of seats shall be as per Punjab Government policy.
7. The eligibility of the candidates for admission shall be determined by the selection committee at the time of counselling.
8. Applications received after the due date /time for any reason including postal courier delays shall be rejected. DMC&H will not be responsible for any delay or loss in transit caused by Postal Authorities, Courier Service or anyone else.
9. At the time of admission to the course, all students are required to submit Bank Guarantee/surely in discharge of liability towards the balance fee in the prescribed proforma (Annexure V and VI). In case of surety bonds, candidates are required to submit post dated cheques alongwith surety bond as per number of fee instalments.
10. In case any candidate leaves the course in between on account of any reason, he/she has to pay the entire balance fee and dues.
11. The NRI candidates are required to submit the bank guarantee only from NRE account alongwith the certificate of the bank to the effect that bank guarantee is being issued from NRE account (issuing bank must be situated in India).
12. Last date for submission of complete application shall be as mentioned in admission notice. Candidates are requested to submit admission application form in the office of The College of Paramedical Sciences, Dayanand Medical College & Hospital (College Campus), Civil Lines, Ludhiana.
13. As per advisory issued by UGC regarding revised procedure of Anti-Ragging undertaking, at the time of admission to the course, all students are required to submit online undertaking regarding Anti-Ragging on the following link i.e. [https://antiragging.in/affidavit\\_registration\\_disclaimer.html](https://antiragging.in/affidavit_registration_disclaimer.html).

4. Candidate shall not avail any of leave, of any nature or absents himself from college / department without prior sanction (Through Proper Channel).

**DEFINITIONS :**

Various Degree & Diploma Paramedical Courses and their seats are as follows:

S.No.		Name of Course	No. of Seats
<b>DEGREE COURSES</b>			
1	B.Sc. ( MLT )	Bachelor of Science in Medical Laboratory Technology	20
2	B.Sc. ( APB )	Bachelor of Science in Medical Anatomy,Physiology,Biochemistry	10
3	B.Sc. ( OTT )	Bachelor of Science in Operation Theatre Technology	06
4	B.Sc. ( CT )	Bachelor of Science in Cardiac Technology	09
5	B.Sc. ( MRIT )	Bachelor of Science in Medical Radiology & Imaging Technology	10
6	B.Sc. ( ER )	Bachelor of Science in Emergency Responder	10
7	B.Sc. ( AT )	Bachelor of Science in Anaesthesia Technology	10
8	B.Sc. ( DT )	Bachelor of Science in Dialysis Technician	10
9	B.Sc. ( ICU )	Bachelor of Science in Intensive Care Unit	10
10	B.Sc. ( PT )	Bachelor of Science in Perfusion Technology	10
11	B.Sc. ( MT )	Bachelor of Science in Medical Transcription	10
12	B.Sc. ( OT )	Bachelor of Optometry (Ophthalmic Techniques)	10
13	B.Sc. ( OAPT )	Bachelor of Science in Orthopaedic Assistant & Plaster Technology	10
<b>DIPLOMA COURSES</b>			
1	Diploma in Operation Theatre Technology		10
2	Diploma in Ophthalmic Techniques		10
3	Diploma in Hospital Documentation & Record Keeping		10
4	Diploma in Burns & Plastic Surgery Techniques		10
5	Diploma in Intensive Care Unit Techniques		10
6	Diploma in First Aid and Emergency Care		10
7	Diploma in Urological Techniques		10
8	Diploma in Neurosurgical Techniques		10
9	Diploma in Haemato-oncology & Bone Marrow Transplantation Techniques		10
10	Diploma in Neurophysiology Techniques		10

# **B.Sc. Medical Laboratory Technology- MLT**

## **(To be applied through BFUHS)**

1. Duration of course: Duration of course shall be four years (including one year internship).
2. Admission criteria and Qualification: Candidate must have passed 10+2 with Physics, Chemistry, Biology and English individually and must have obtained a 40% marks taken together in PCB (Physics, Chemistry and Biology) in 10+2 examination.  
Or  
Candidate has passed 10 +2 examination in any stream other than science and holding 2 years full time regular diploma in a paramedical subject from a recognized medical college only.  
Lateral Entry: Candidate is eligible for lateral entry directly into the second year of B.Sc. Courses, if he/she passed 10+2 (Science) and holding 2 years full time regular diploma in paramedical subject from are recognized medical college only.
3. Admission Procedure: Admission shall be made as per the merit based on Physics/Chemistry/Biology marks taken together in 10+2 examination.  
In case of two or more candidates having equal marks in PCB in 10+2 examination ,their inter-merit will be determined as under:-
  - a) The candidate having higher marks in the subject of Biology in Qualifying examination i.e. 10+2 or equivalent examination.
  - b) Candidate older in age.
4. Medium of Instruction  
The medium of instruction during the course and examination shall be English.
5. Number of Seats: **20 Seats**  
**Three seats** are reserved for NRI candidates  
Reservation: As per Punjab Government Reservation Policy.
6. Tuition fee:  
**Govt. & Management Category** (except NRI): Rs. 40,250/- and other charges as mentioned on Page No. 41  
**NRI:** NRI category candidates must have obtained Eligibility certificate from BFUHS before applying. Fee for issuance of eligibility certificate and tuition fee as per **BFUHS**.
7. Leaves: Leave Rules as mentioned on Page No. 16

# **B.Sc. Medical Anatomy, Physiology & Biochemistry- APB**

## **(To be applied through BFUHS)**

1. Duration of course: Duration of course shall be three years.
2. Admission criteria and Qualification: Candidate must have passed 10+2 with Physics, Chemistry, Biology and English individually and must have obtained a 50% marks taken together in PCB (Physics, Chemistry and Biology) in 10+2 examination.  
Or  
Candidate has passed 10 +2 examination in any stream other than science and holding 2 years full time regular diploma in a paramedical subject from a recognized medical college only.  
Lateral Entry: Candidate is eligible for lateral entry directly into the second year of B.Sc. Courses, if he/she passed 10+2 (Science) and holding 2 years full time regular diploma in paramedical subject from are recognized medical college only.
3. Admission Procedure: Admission shall be made as per the merit based on Physics/Chemistry/Biology marks taken together in 10+2 examination.  
In case of two or more candidates having equal marks in PCB in 10+2 examination ,their inter-se-merit will be determined as under:-
  - a) The candidate having higher marks in the subject of Biology in Qualifying examination i.e. 10+2 or equivalent examination.
  - b) Candidate older in age.
4. Medium of Instruction:  
The medium of instruction during the course and examination shall be English.
5. Number of Seats: **10 Seats**  
**Two seats** are reserved for NRI candidates  
Reservation: As per Punjab Government Reservation Policy.
6. Tuition fee:  
**Govt. & Management Category** (except NRI): Rs. 40,250/- and other charges as mentioned on Page No. 41  
**NRI:** NRI category candidates must have obtained Eligibility certificate from BFUHS before applying. Fee for issuance of eligibility certificate and tuition fee as per **BFUHS**.
7. Leaves: Leave Rules as mentioned on Page No. 16

## **B.Sc. Operation Theatre Technology- OTT (To be applied through DMCH)**

1. Duration of course: Duration of course shall be four years (including one year internship).
2. Admission criteria and Qualification: Candidate must have passed 10+2 with Physics, Chemistry, Biology and English individually and must have obtained a 40% marks taken together in PCB (Physics, Chemistry and Biology) in 10+2 examination.  
Or  
Candidate has passed 10 +2 examination in any stream other than science and holding 2 years full time regular diploma in a paramedical subject from a recognized medical college only.
